"Wayne Shepherd's rich vocal personality matches voice to mood as he delivers the authors' prescriptions for living a God-centered life. With warmth and empathy he recounts how to develop an intimate, life-changing relationship with the Lord and how to apply God's will to all of life's circumstances. The issue of trust prevents many from growing in relationship with the Lord. With a simple rhythm Shepherd defines what trust is and what trusting God means, and how to build and renew one's faith and trust in God each day. Revised and expanded with seven new chapters and dozens of inspirational stories, this practical, God-centered audiobook is suited for individual or group Bible study." I am a newly reborn Christian and got this book as a recommendation from a friend. I cannot express the amount of growth this book has given me. The authors are engaging, personal and straight to the point. I would recommend this book to any Christian at any level. I am re-reading mine. I really miss reading the studies and the direction it has given me. Now I am on track with my faith and I love reading the Bible scriptures.

Do you know where you'll be next year? 5 years? 10? How about 50 or 100? Where will you be for eternity? It all depends on who you know, not what you know. This book goes deep! If you want to know Jesus Christ as your personal Savior, this book will help! I am very pleased with the 5 day per week, 13 week lessons meant for small groups. I heartily recommend it to you.

I have purchased several volumes of this. It is being used at our church as a morning study and prayer group workbook. As I wrote in another reference, this book will make you look at what your personal experience is. It is not just another review of Bible content.

This is one of the best books I have read recently. I read a lot and very few books get five stars. This book is inspiring and will support your learning to have a love relationship with God. It is truly full of truth and love. I highly suggest you give it a read.

We have been studying this book in bible study and prayer and every Wednesday, God shows up. I like the steps of experiencing God and how it starts with your personal journey, then your journey as a couple, and then as a family. I have grown so much because of these teachings. They have enhanced my knowledge of what God desires of me.

The greatest single resource I've found in many years of walking with Jesus. Every believer should read and Reread every couple of years.

I enjoyed this book. It really opened my eyes to so many things and I like the way this author writes. I have passed this along to friends and they seem to enjoy it just as much as I did. If you really want a deeper relationship with the Lord, this is a good book to start with and really help you and guide

you in your journey. Definitely recommend this book.

A wonderful book on how to experience the abundant joy that God desires all Christians to experience. Every Christian will gain insights into how they can deepen their relationship with God.
