The Roommate Arrangement

Synopsis

My brother gave me a place to stay. These are his rules: 1. Cook and clean for his seven hot roommates. 2. Do not sleep with his friends. 3. Do not under any circumstances talk to his ex-best friend, Grayson. Grayson is a six-foot-two athlete with sun-kissed skin, slabs and slabs of muscle, and gorgeous dimples curving into his cheeks. My brother hates him, and the feeling is mutual. The moment I saw Grayson, I was smitten. Then he kissed me. Laid me on the kitchen table. Stroked my body with his tongue. Now we can't keep our hands off each other. It's a forbidden romance, a hot summer fling, but I'll trade everything to have endless balmy nights with him. We could have it all if it weren't for my overprotective brother. The guy holding an axe over my future. He'll kick me to the curb if he finds out, but I'm risking it all just to have Grayson for one more night. Seven hot bachelors. One delicious mistake. Snow White never had it this bad. Author's Note: This is the second in the series, but it is a full-length standalone novel. For a limited time, your copy of The Roommate Arrangement includes the first in the series, The Cinderella Arrangement!

Customer Reviews

What a great book. The cover is as good as the book. So we'll written & I love this author. Saffee

loses her job & asks her brother if she can stay with him. He says three days with rules. 7 hot men live in the house as well. She meets Grayson & he's hot. Her brother warns her off him but it's too late. Awesome read. Thanks.

This story was fun and racy with interesting characters and a story that keeps you guessing. The relationships are complicated and keep you on your toes.

Roommate Arrangement was a good read. The characters have heart and interact with each other in a heart warming way. The developing relationships snag you in and keep you entrenched in the story. Recommend reading enjoyable

Oh Ya! This was hot from the start, I couldn't put it down ;)

I fell in love with the characters in these books. The plot keeps you reading till the very end. Steamy love scenes. Funny, strong minded, sarcastic women. Sexy, struggling men in need of love. I couldn't put the books down. Definitely worth money spent. After you finish you'll want to purchase more.

That was so not what I was expecting. When you first proposed this book I thought it would be like a constant frat house situation, but this story was so not that. I really laughed almost as much as I got so pissed off at her brother and father. If you decide to do more books off this series I so think Titus should be next. Oooh yes Titus should so be next.

Love Vanessa Waltz! Have not read a book of hers that I didn't love! Can't wait to see what's next!

Wow what can I say this cover is beautiful!!!! From the beginning I was hooked to this book!! It was about a girl that lost her job and She asked her younger brother if she could stay with him but he also lived with 7 guys!!! Ugh oh! What kinda mess can Saffie get into? Grayson caught her eyes but that was one of the rules her brother came up with no touching. Grayson also had secrets will that destroy what he feels for her? I loved reading this and can't wait for the next book! I received a voluntary book for my honest review!
