His Amish Baby (Amish Christian Romance Book 1)

Synopsis

Will Noah risk being shunned to help Miranda, his betrothed, when she finds trouble in the English world? Noah made the decision to stay behind when Miranda and Simon went away on their rumspringa. That decision cost him his best friend and his betrothed at the same time, all because he couldn't bring himself to leave his sister after she passed up marriage to take care of him when he was younger. A year later, he runs into them, but they have become Englishers. Will Noah be able to accept the changes in Miranda and win her back, or will her circumstances prevent her from returning to the Amish ways without getting Noah shunned?

Customer Reviews

A sweet story with some challenges involved. But good prevailed in the end and love conquered all. Love Amish books. Way to go Samantha Bayaar!

As you read this you will experience sorrow , love, and joy. It is a book for all ages 15 on up. It

shows us how we need to be prepared to face the bad times as well as the good ones. And teaches us that some our best experiences occur after our worst ones.

The book came with no creases to the spine and in great condition. Well received and the recipient excited to discover a new author.

Good short novel and characters. Not happy reading about pregnancy outside of marriage. Will read book #2. Hope its better.

Wasn't a long book but it was a good one. Enjoyed reading it. Love this author love reading her books.

Storyline a little tough to follow. This was my first Bayaar. I'm going to give her another chance.

This book is amazing. A short story worth reading.
