the book is cute, it came without a covering, just in the box with packing material for me. I opened it up, and the stuff it funny, just what I expected. The back comes with a sticker and a saying on it, I'm not sure if I like that, but it's okay I suppose.

This is a gift, pretty cute. I thought it would be bigger for the price I paid... oh well

Fun book, I gave this as a graduation gift with personal notes inserted throughout. They loved it.
