This is a fantastic book for anyone who loves literature! It's written in "a quote and Belle's comment on it" style! I Love it! Worth the time to read!

I had such high hopes. The illustrations and book were so cute and lovely. Most of the quotes felt underwhelming. I honestly absolutely hated how they would have a quote then a whole page dedicated to how "Belle" feels about the quote. Illustrations and cuteness? 5 stars. Quotes? 3 stars. Belle's fake opinions? Kill it with fire. >_>

Love love loooooooove it! It's adorable and has some great quotes :)

was hoping for a little more insight and variety in book choices

Beautiful! And well-priced. Gorgeous leather binding.

A must have for any Disney fans !

This is so neat! It's great to have and makes a wonderful gift for genuine book lovers. The book is set up to look as though Belle has taken notes about all the books that she's read and this is her journal. There is also a lovely summary of each book.

This was purchased for a friend and she loved it! She likes everything Belle!
