Customer Reviews

Book CONTENT is great but the description did NOT say it was barely holding on - this books has been practically mutilated structurally.

A large number of addresses in the book are no longer valid.

This is Good Reserve for to contact in some things may appear of to be may be exact book at all some are there and yet there not there either .

Arrived in a well protected packing. A very good updated celebrity book. Happy with my purchase. Also I would like to thank the seller for their favourable service

Excellent.

Was expecting more information for each celebrity beyond mailing address.

Very handy book to have. They try to keep it up to date as much as possible.

Got my first autograph within days. I had the 2008 book and it's nice for the updated version.
