Collector's encyclopedia of Howard Pierce porcelain: Identification and values

Love it ! Just as described ! Thank you :)

Wonderful tool to assist in pricing Howard Pierce porcelain. However, it's important to keep in mind the age of this particular book. It's a great guideline and starting point. Not all pieces are listed.

Did not cover enough items, we have a # of items purchased at his studio that were not in the book.

Great book to assist a new collector.
