Black Sheep - An Action Thriller Novel (A Noah Wolf Novel, Thriller, Action, Mystery Book 6)

Synopsis

USA TODAY & #1 BESTSELLING AUTHOR – ONE OF THE BEST NEW VOICES IN THE ACTION THRILLER GENRE – David Archer is back with a vengeance with his newest hero, Noah Wolf. After fans raved about his debut series, The Sam Prichard Novels, Archer now is about to back even harder. People are already throwing out names like Mitch Rapp and Alex Cross, but don't take my word for it. See what all the fuss is about before Archer becomes a household name!

USA TODAY BESTSELLING SERIES Noah is called in for debriefing after the mission that lost Sarah and reveals his worries that one of the team members is a traitor... and that Sarah is still alive, the captive of someone who knows exactly who she is! Now, Team Camelot is working once more with Team Cinderella to terminate four CIA agents who have been captured in North Korea, but the real mission is to identify the traitor and find Sarah before it's too late! He's got to put his life on the line more than once, but if there is anyone who can touch that part of him that's been locked away so long, it's her... And Noah won't give up until he's got her back!

Customer Reviews

It was very obvious that the last book could not end with a team member's death and no revenge. This book tied up all loose ends and opened the door for a logical continuation. As usual, it was well written with just a few minor grammatical errors or typos which tend to diminish a novel's enjoyment. Looking forward to the next adventure. JR - Writer/Editor

I love the series of books featuring Noah Wolf as the hero. David Archer is a wonderful story teller who keeps the reader engrossed with the story. His ability to create characters and situations is rare. My only complaint is that I have read all of books in the series and wish the publication of the next one would arrive.

Well, I wondered what would happen to Sarah, now I got to find out. This is volume 2 of a 2 part series. The first book, "The Wolf's Bite", left you hanging with the thoughts of what would happen to Sarah. This book concludes the story. Again, David Archer leaves you on edge wondering if he will be able to figure things out and rescue his fiancée. There is not a dull moment in this book and David lives up to expectations. I am looking forward to his next venture with the Camelot team.

Just when you think Noah Wolf books can't get any better, they do. #1: I recommend you read this series in order. Even though each book is a standalone, you would lose so much history of Team Camelot. #2: At least read Book 5, Wolf's Bite, before reading Black Sheep because one goes with the other. That being said, Black Sheep is full of twists & turns, honor, betrayal & even love. It kept me on the edge of my seat, made my heart pound, made me laugh & cringe with horror. David Archer has become one of my favorite authors. High Five Stars!!

Noah Wolf is always a 5-star character and this book is a 6-star addition to the anthology. Solid writing on behalf of a solid plot that satisfies on every page.

Another excellent Wolf read. I was initially disappointed with the end; and that was only because I wanted to have immediate resolution. And that comes in The Wolf's Bite. This is fast paced with an introduction of a new set of characters that hope to see developed further.

I've read all of the books in this series and this is the best to date. The team's foray into N Korea was especially interesting since North Korea's little fat boy dictator has been making so much noise

lately!!! Get the book, you'll enjoy it !!!!

A great sequel! Noah shows why hes so good at what he does. Filled with action and some very heavy torture scenes so be prepared. But I definitely recommend David Archer and his Noah Wolf series, you'll want to keep reading all the way to the end!
