Panda: An Intimate Portrait Of One Of The World's Most Elusive Characters

Synopsis

This is a charming portfolio of panda images from multi-award winning photographer and former president of the Royal Photographic Society, Heather Angel. "Panda" is a uniquely varied collection of pictures and a heart-warming tribute to an endangered animal whose charismatic appearance means it is loved the world over. Heather's passion for pandas is conveyed in beautiful colour photographs that show them throughout the seasons as they feed, drink, lounge, play, climb trees and even slide down snowy slopes. The images are accompanied by engaging and informative text giving an insight into the way of life of an iconic animal.

Customer Reviews

"WorldLife Library series titles are notable for their spectacular full-color photography and commitment to environmental awareness and conservation. Including reading lists, these titles are recommended for their depth of information; the abundance of fascinating action and still photographs provide an excellent visual resource for educators and wildlife buffs of all ages."

Heather Angel is a biologist and award-winning wildlife photographer who has made many trips to China to photograph the wildlife, plants and natural landscapes. She has written and illustrated two previous books on pandas. www.naturalvisions.co.uk

excellent description of the life of pandas with excellent photography throughout the book. A great asset for anyone wishing to know more about Pandas

The photo quality was amazing, the shipping was fast, and the book itself was really well put together. I bought it for my friend who loves pandas and he loved it c:
