COSTA RICA THEN/COSTA RICA NOW: Prostitution Is Legal In Costa Rica. Talking About Prostitution In Facebook Will Get You Life In Prison With No Paroll. Costa Rica's No Longer Permits Free Speech.

Synopsis

I came to Costa Rica Then 20 years ago, & am now imprisoned in Costa Rica Now---apparently for life. A 92 year old woman is currently being tortured by Costa Rica's uniformed terrorists, who kidnap Gringos. When the ransom is paid, they may demand another ransom rather than release their captives. Government also sanctions the torture/killing of animals as their Supreme Court deems it "perfectly reasonable". Costa Rica has become a sexist, racist, oppressive dictatorship with zero regard for human rights or Due Process of Law. Gringos "disappear" in Costa Rica. Read this book---or become one of the 22,000 now on THE LIST. I did not have to conduct extensive research for this book, as it is written from personal experience. To prove seemingly-ridiculous statements, I did not pour through archives to make my points. I simply reprinted newspaper articles that happened to appear while I was writing. While I was uploading Costa Rica Then/Costa Rica Now to Kindle, Costa Rica's matriarchal dictators were in "Congress" trying to stiffen the penalties: For instance, they are proposing a 3-year sentence (no trial) instead of the current one-year jail term for looking at a woman on the street or taking her photograph without her permission. For the twenty years I have been here, lawyers have recommended that an "asociudad" (corporation) own vehicles & real estate---& most gringos listened. As I write, Costa Rica is proposing extensive corporate taxes on all of those asociaciones. As this book proves, Costa Rican lawyers/judges/government are all graduates of the TARZAN SCHOOL OF LAW, with three edicts: 1. WOMAN GOOD. 2. MAN BAD. 3. WHITE MAN VERY BAD. In the words of the head of the Costa Rican Police Union: WE ARE THE POLICE. WE CAN DO WHATEVER WE WANT TO DO. While Mafia drug lords now run Costa Rica, Government uses US tax dollars to eliminate their competition. The United States invented POLICING FOR PROFIT. Costa Rica has made it an art form.
