Customer Reviews

Yuu Miyazaki is the author of the light novel series The Asterisk War.

I really enjoyed the story and portrayal of the characters. I read a lot of light novels and this is one of my favorites. If you enjoyed the Asterisk War anime, you'll definitely like the light novel series.

I havent bought this off of this site mainly because the image is not of the second volume of the light novel series. It is the picture of the second volume of the manga. Both the anime and light novel series are great. I can't find the questions option so I'm just going write my thing here. I would be cautious purchasing this just in case it is the manga instead.
