# Case For Grace For Kids

## Synopsis

What does “grace” really mean? How can God’s grace impact your life? How can you experience grace every day? This new book by New York Times bestselling author, Lee Strobel, shows how God’s love is for everyone – no matter what. Through stories of everyday people whose lives have been changed, you will discover God’s love and the power of forgiveness. You will experience God’s amazing grace and be able to share it with others.

## Customer Reviews

The newest addition to bestselling author Lee Strobel’s youth collection is *Case for Grace for Kids*, a presentation of true stories that introduce and explore the concept of God’s forgiving love. Lee Strobel and Jesse Florea write about seven real people (“The Orphan,” “The Prodigal,” “The Professor,” “The Evangelist,” “The Executioner,” “The Hero,” and “The Thief”) who have experienced and recognized God’s grace in their lives. Their situations include abandonment, drug abuse, isolation, discrimination, stealing, endangerment, childhood illness, and genocide. Each has overcome adversity through God’s mercy and compassionate care. Though intended for a juvenile audience, some realities described in the book are particularly harsh, such as the actions of the Khmer Rouge. With

Case for Grace for Kids, primary author Lee Strobel aims to share the good news of God's munificence and love. He writes of his personal encounter with discovering and accepting God's grace, and incorporates many of his own thoughts and realizations throughout the book. A final chapter provides numerous biblical citations to help readers find references to grace in scripture. With conversational chapters, easy readability, and compelling situations, Case for Grace for Kids offers a means for young readers to discover and explore the certainty of God's grace. At the end of each "case," a shaded box ("Face-to-Face with Grace") poses questions for discussion or introspection. Cartoon drawings by Terry Colon and sidebar trivia (the name "Grace," saying grace before meals) add a light touch. Nina Ditmar, CLJ (Christian Library Journal)

Lee Strobel was the award-winning legal editor of The Chicago Tribune and is the bestselling author of The Case for Christ, The Case for Faith, The Case for a Creator, and The Case for Grace. With a journalism degree from the University of Missouri and a Master of Studies in Law degree from Yale, Lee has won four Gold Medallions for publishing excellence and coauthored the Christian Book of the Year. He serves as Professor of Christian Thought at Houston Baptist University. Visit Lee's website at: [leestrobel.com](http://leestrobel.com) Jesse Florea has written and edited for Focus on the Family for over 20 years. As editorial director for youth publications, he oversees Clubhouse and Clubhouse Jr. magazines, and he co-hosts the "Official Adventures in Odyssey" podcast. Jesse has written or co-written more than a dozen books, including the best-selling devotionals The One Year Devos for Sports Fans and The One Year Father-Daughter Devotions. He lives with his wife, Stephanie, in Colorado Springs and enjoys hanging out with his two grown children. A A

My 7 year old son is cognitively advanced for his age, and started asking a lot of difficult questions regarding faith and apologetics. This entire series has been WONDERFUL. I'm so thankful it exists. We have been able to further discuss the principles he has learned from these books, and it helps to find them in a published book, rather than just "mom and dad say it's true..."

We have all the books in this series and we love them. They ask and answer a lot of questions kids might have and help them build a strong foundation in a world where it can be hard to be a Christian sometimes.

I liked the readings but think my son was too young to hear some of them. This should be read by 12

year or older

Easy to teach the power of grace with this guide.

great to help my grandson!

great product

Even adults will appreciate the stories told in plain narrative.

From the Back of the Book:Answers to questions about grace that even adults struggle to answer.Can God really change lives?Will He forgive even my worst sins?Here is a book written in kid-friendly language that gives you all the answers. Packed full of stories of everyday people whose lives have been changed, the *Case for Grace for Kids* shows that God's love is for everyone.

Review:Don't let this book fool you—it is not just for kids. I struggle with God's grace in some way almost every day trying to explain to others what grace is. Although I basically read this to encourage my tween-age granddaughter to read it, I came away with a better understanding on how to explain how grace works. Mr. Strobel took interesting stories of people with grace at work and put them in simple everyday language, making it easy for kids (and adults) to understand. While reading these stories, my heart was touched by their hardships, but when they realized grace was at work in their lives, my heart rejoiced. All I can say is please take the time to share this book with your children. It is truly a book of grace and the plan of salvation.Disclosure: I was given a copy of this Book by the publisher, ZonderKidz, Z Blog Squad for an honest review. I was not required to write a favorable review nor was I compensated for my review. The opinions in this review are my own.
