Design Literacy: Understanding Graphic Design

Synopsis

Author and design expert Steven Heller has revisited and revised the popular classic *Design Literacy* by revising many of the thoughtful essays from the original and mixing in thirty-two new works. Each essay offers a taste of the aesthetic, political, historical, and personal issues that have engaged designers from the late nineteenth century to the present—from the ubiquitous (the swastika, antiwar posters) to the whimsical (MAD magazine parodies). The essays are organized into eight thematic categories—persuasion, mass media, language, identity, information, iconography, style, and commerce. This revised edition also highlights recent trends in graphic design such as aesthetic changes in typography in the digital age and the nexus between graphic design and wired culture. This is an eclectic look at how, why, and if graphic design influences our ever-evolving, diverse world. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Book Information

Paperback: 304 pages

Publisher: Allworth Press; 3 edition (May 6, 2014)

Language: English

ISBN-10: 1621534049

ISBN-13: 978-1621534044

Product Dimensions: 6 x 0.9 x 9 inches

Shipping Weight: 1.3 pounds (View shipping rates and policies)
