# Eighty Four Rooms: A Unique Collection Of The Most Stylish & Individual Boutique Hotels

## Synopsis

The Eighty Four Rooms Collection invites you to enjoy 84 of the world's most beautiful and unique boutique hotels. Regardless of your budget, it should always be possible to travel with an eye for style and comfort. This is the philosophy behind the hotel platform of the same name, eightyfourrooms.com. Along with recommending the best rooms and suites, the book provides tips about the restaurants and bars you should visit to make your trip a truly unforgettable experience. Thanks to detailed guides on each property and local highlights, the book provides everything you need to be an insider. Each of our hand-picked choices undergoes a rigorous check of every facet of its operation. This is the only way to ensure that each hotel presented is truly best-in-class in terms of its surroundings and its fabulous signature style. We offer a wide variety of choices: places for rock stars to remain anonymous, romantic getaways, and luxurious ski resorts, as well as properties offering amazing views of the sea or big-city skylines. Bon voyage!
