This is a great music book. Anyone with two years of experience can play most of these beautiful songs. Enya is the queen of sharps and flats, and while five sharps in "Only Time" and three sharps in "Deora ar mo chroi" and five flats in "First of autumn" and "Fallen embers" may look scary, they are repetitive and muscle memory will carry you through. The songs "Day Without Rain" and "Pilgrim" are easy to play and easy on the ear. I am self-taught and have all eight Enya music books and this one is my favorite.

I love this book. I cannot read sheet music but only at the most basic level, but this book has the chords above the notes so I know the chords and can play these songs "by ear." Some chords can be complex for beginning players, but it is a great motivator to learn more and play these beautiful pieces.

Love this songbook, the songs are beautiful as is anything Enya shares with us.

Hi, Nice intermediate+ arrangements She has great music...sets a mood. I can only play a few of these..but it is still worth it to have in my opinion. Nice arrangements for the songs.

As is all of Enya's music: excellent.

Nice music but not as good as shepherd moon

wonderful edition! Me back good memories of my teenage years! Book with graphic quality. The printing is very good! Recommend to everyone!

A few tricky songs, but not too difficult. Everyone loves hearing it played, a good challenge for an intermediate player.
