Customer Reviews

Got this for my son. A GREAT basic book and covers many fundamentals. But it is very old-school and relies alot on verbal narrative - not as many pictures or up-to-date examples (but what can you expect?) Supplement with other more modern texts and lots of DVDs of Terry Fater and Jeff Dunham.

Gift for my granddaughter she wants to learn how to be a ventriloquist

I found the book very helpful and the advice was down-to-Earth and easy to follow.

Perfect birthday gift for our granddaughter who is intrigued with ventriloquism

A very good book for someone getting in to the hobby. A quick and easy read. And it is a classic.
circa 1940s

I purchased this book for my grandson. His mother bought him the dummy. The grandson quickly became proficient at ventiloquism and has performed for others. What a lot of fun!

Got this one for the author.

Old though
