Okay

Another great read by Emily Woods! I enjoyed this short read. Leo didn't want to get married & he didn't want to be a parent to his brother's children. But when he met Rosanne and he fell in love with her. She stayed at his farm hiding out from her aunt Marjorie because she didn't want to get married & ran away. Running straight into Leo. He told her he wouldn't take her to the church, but would take her to his farm. She planned on leaving on the train. But Leo's brother Burt died during the night and someone brought the children to him & Rosanne fell in love with them. His mother Roberta was holding his inheritance over his head, telling him he had to get married to Rosanne to get it. But neither one of them wanted it. Little Claire followed Rosanne on the train, causing Rosanne to have to go back to take her home. When she arrived her aunt was sick she found out her aunt had lied to her & ran straight into Leo's arms and agreed to marry him, she had been in love with him but believed her aunt's lies. I highly recommend this book!

A great story about a young lady who had been forced to go west by her Aunt to marry, and a man who was having to care for his 5 year old twins who needed a wife. The characters were brought together by the man's Mother and the girl's Aunt. She fell in love with the twins but didn't want to be forced to marry. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

I found this book to be full of adventure and a sweet surprise of the hero. I love finding the hero throwing an extra twist in the story. It has lots of love and nurturing with a few obstacles to overcome. I really enjoyed this book. I recommend this book to everyone who wants a good clean fresh romance.

You can't always pick your destiny. Sometimes you are guided but you fight against it. More stubborn pride and a knowledge of right and wrong for the groom. More a matter of her own choice for the bride. You will enjoy watching the scenes unfold.

This story is full of all the things that can and do go right and wrong in families! But tough love and perseverance and doing the right thing bring about fulfilling happiness in the end. A really good story.

I sure didn't hesitate to rate this book with the highest rating! I Loved every sentence. I am glad I already have another one downloaded and ready to read!!
