The reason I bought this is two-fold: One, I love the Mortal Instruments and two, I love the artist who drew the pictures. It is so beautiful, I don't even want to color in it. I just wanna keep it as a keepsake. More Mortal Instruments swag.

I always enjoy a good coloring book and this one is not only well drawn it's fun to color.

Such a beautiful coloring book

Love it! Very detailed and with the storyline from the book that goes along with the picture.

Fantastic quality book and so much fun to color out the stories I love so much! I was very glad it went through all 7 books.

It was not only absolutely stunning, but it was filled with quotes that took me back to the books!
