## Customer Reviews

It's a bit little, but I can start writing again my poems, fit perfectly in my pockets so I can carry everywhere

Love the Moleskin planners - I get one every year and consider it worth the cost. I like this pocket-size one because although too large to fit in any pocket I have, it is easy to carry in a purse. PROS- Weekly view with to-do list on the opposite page- Lots of reference materials (ruler, maps, stickers to put on dates)- School calendar (ideal for students, teachers, parents trying to juggle kids' calendars)- 18-month vs. 12-month calendar (so there is lots of overlap if you forget to buy a new calendar) CONS- Not enough birthday stickers (they also changed the stickers for this year vs. last year)- More expensive than other planners (but again, I consider it well worth the cost)
