Our Love Is The Realest 2

Synopsis

Wednesday's shocking confession caught everyone off guard, and placed Jonaya between a rock and a hard place. Forced to choose between being loyal to her best friend and doing what she knows is right, Jonaya becomes quickly convinced of what her next move should be which is what she believes is best for everyone. But while the two best friends are conflicted on whether they should keep a dark secret or be honest, no one is preparing themselves for what will come when Waayil actually does find out the truth. In part two of Our Love is the Realest, the Goode girls return along with their current and potential significant others. Yikayla has moved on to be with the love her life, Waayil, but how will she react upon finding out the truth about her child's father Roscoe? Jonaya, when she's not dealing with the burden of carrying a secret, is still trying to suppress her feelings for her best friend Nusef. But when she finally realizes that she can no longer deny the truth, will it be too late? Rori is scared of getting hurt after being dragged through the mud by Gavin, and doesn't want to rush things with Eko. Will her hesitation push Eko away forever, or just into the wrong hands? And last, but certainly not least, Dree is living the high life with her new beau Sean, but she will soon learn that dating a man who gets everything he wants at the snap of his fingers, can definitely lead to some unsavory events.

Customer Reviews

OMG where do I begin this book was by far one of thee best books Shvonne Latrice ever created and Babygirl has some jar dropping books out.. Waayil is some kind of crazy.. Smdh this boy shot his sister in the foot but way a minute that darn Roscoe that chile has community dick like a mother father that makes child number 3 2 boys and a girl that's only the ones that I know of come part 3 he probably has some moreÃ Ä Ä^Ä Ä Ä Ä^Ä Ä Ä Ä^Ä Ä Ä Ä^Ä I so happy that Nausif and Rori finally got together along with Dree and Canyon.. Man I can't wait until part 3..

Damn Roscoe!!! If that man ain't got a bunch of drama and dragging poor Kay in the mix. And I think Brynn is being shady plus it seems like Roscoe wants everybody else's kid but Kay's and hers is the youngest. But he has psycho Yil but he is having some anger issues with everyone trying his patience. I honestly think him and Eko going to have to team up with this Neo situation. The things that Alba is going through to get Yil is not going to help her out and is going to blow up in her face soon. And Emil is a different story all together. Can't wait to see how all things play out!!

Once again you have done Shvonne. I can't wait until Alba gets everything she deserves. I hope Eko gets to Gavin before he can do something to him and Rori. Maurice is a sucker, instead of coming at Nusef like a man he has to resort to violence. Waayil needs to tell his parents whyhe don't want anything todo with Wednesday. I can't wait until part 3.

Love waayil but damn he crazy. I can't wait for the next book to come out. Hopefully it will rap this story up.

I stayed up all night waiting for this book, woke up this morning to see if finally had updated and now I've finished reading it dying a slow death!!! 6/27 can't come fast enough...As always, Shvonne had delivered another amazing book. I don't won't to leave any spoilers, just read and enjoy, you won't be disappointed!!

This book was off the chain. I can't believe it went down like that. I can't wait to see what happens

next. I can't believe how naive Yikayla is. She acts so blonde at times. Anyway, great job!! Perfect read!!

I choose this rating because I have fallen in love with this series. That is the best series every and now I'm waiting on part 3 or book 3.

OMG!!!! I need part 3 like yesterday. Shvonne knows she is a hell of an author. So much went on and came out in Part 2 til it had me on the edge of the bed. People really need to know when not to push people because it never ends up good. I can't wait for Part 3. I love all the Goode Sisters and Waayil & Nusef and Eko.
