Customer Reviews

Very cute christmas themed coloring book i am looking forward to coloring in. it has many tiny pictures with intricate detail for the advanced and moderate colorer. It is a bit intimidating because the images are so small. the book is small as well, and thick. you will have hours of fun coloring in this book with fine liners or marker pens. even very sharp pencils will do the trick.

Perfect!

Very nice book and festive.

Only got one page done due to business of Christmas season. Next year I'll start early and enjoy it more.

Perfect for the holidays!! After a stressful day of shopping coloring relieves the stress!

Fun book. Enjoy it very much. Good variety of pictures to color and subject matter.

I got it thank you very much

Hate it ...gave it away
