Lessons In Loving: A Journey Into The Heart

Synopsis

This audio book is about a journey of self-discovery on which we learn the true pathway to deeply fulfilling relationships. When we seek fulfillment in relationships, we don't realize that our greatest desire is to be ourselves in the fullest sense. For only when we can truly be who we really are is the heart-to-heart connection for which we long for possible. David Robert Ord combines timeless truths of spirituality with the wonderful insights of Antoine de Saint-Exupéry's *The Little Prince* to open our eyes and our hearts to the real pathway to fulfilling relationships.
