Tone Finnanger has a distinctive style that is popular with crafters of all ages and abilities. Her titles for D&C include Crafting Springtime Gifts, Crafting Christmas Gifts, Sew Pretty Homestyle, Sew Pretty Christmas Homestyle, Sew Sunny Homestyle, Tilda's Studio and Crafting Tilda's Friends. She lives in Norway.

I love Tilda's books, but I do have to say I expected a little more. Even though it has great colorful photos, there are a lot less projects in this book than what I expected. What you see on the front page is pretty much the content of the book plus a few extra printables. I don't like the pages of this book since it's an unfinished paper/cardboard type bind. I like a little sheen on my pages (makes it less likely to tear or get dirty).

The Tilda books are laid out so nicely, with really cute items. Only problem is, it's impossible to find the kits like her doll face-painting kit which isn't sold in the USA. I finally ordered the catalog from Panduro Hobby, since it's coming from the UK it took about a month. Wasn't sure if my request went

through because of the "county" and "city" and being not USA it fills out these fields differently, but it finally got here. So I guess I'm saying great book, great ideas and love the patterns included, but you may need to look elsewhere for the fabric or paint kits to duplicate the look on your own.

Cute projects. This is not a thick book. The pictures are beautiful. The directions seem easy to follow.

great book and the colors and patters are excellent.

Wife loves it, added to craft inventory.

So many great ideas

very cute book with pattern and ideas for the Tilda doll.

Have many of her books but was missing this one. Glad to find it on for a great price!
