## Customer Reviews

ReviewÃ  By:Ã  RayÃ  Alvidrez - June 26, 2007 Ã¢â ¬Ã“I was very enthusiastic about the Bible Overview pamphlet because I was able to memorize the Books of the Bible in order, their authors, time table and not to mention the theme of the books. I like that it tucks neatly into my Bible.Ã¢â ¬Ã•

This review applies to this pamphlet and other in the series. They were recommended to me by a seminarian (a future pastor who received calling later in life) who was using them to review for tests. Caveat Emptor - Know what they are before you buy = easy to read pamphlet, short summaries; excellent for introduction or review for Bible discussion for youth through adults. Pique the curiosity before study. Or help during midst of study when baffled by scripture language entanglements.

These booklets from Rose Publishing are the best you can buy. Love that they are laminated so they are in great shape no matter where I take them. Best teaching tool I have found. Can't say enough about the. Great for the price. Perfect to carry in your Bible as well.

As deacon in my church, I teach teen, and sometimes, adult Sunday School classes. Rose Publishing pamphlets, wall charts, print outs and online services have been an valuable asset among my teaching resources. Their products are solid, faith-based, eye-catching, informative, and reasonably priced.

Our little church decided to start Bible studies and our minister had one of these he had picked up at a local bookstore. It was a little pricey for our venture, so I checked on here to see if I could get a better deal. I most certainly found an affordable option and purchased all that we needed! I guarantee some wonderful people are going to put them to good use!

This pamphlet basically written as a synopsis of each book in the Bible is such a wonderful Bible study tool; it's like having Bible Cliff Notes for the Old and New Testament. Beautifully laid out. Not too much, Not too little. Just the right highlights. Bible Teachers (Bible Colleges; Seminaries) should have plenty on hand for their students.

Awesome for overview of each book of the Bible

Good to know facts.

very nice
