This high interest informational series offers young readers a full picture into the lives of familiar polar animals. Each page features a vibrant photograph and two descriptive sentences. Information about what the animals eat, where they live, how they --Library Media Connection

Katie Marsico is a Heinemann-Raintree author.

Good book, lots of pictures.

Just what I was looking for for my kindergardner non fictional book. It was easy to understand and written well.

Great for my kindergarten son's book project. Well written and well organized for young readers!

Good information and beautiful pictures. Perfect for my son's first grade animal report (and he enjoys going back and rereading it)!

Thank you!

:)

Nice quality non-fiction, about a first grade level. Good vocabulary teacher. Not a hard-cover.

Katie Marsico's book are wonderful for teaching kindergarten students how to write informational pieces! I hope she creates more for other seasons with the same style- I love them!
