Love these designs! I make ornaments for Christmas gifts and these are beautiful designs.

I received book in a timely manner. The condition was marked as very good and it was in excellent shape. The book itself has some lovely ornaments in it. I have bought many used books and have always found them in very good condition..

These make adorable ornaments and the book is easy to use with vibrant color pictures of the finished product. Very easy to read/use instructions; fun for a beginner all the way to expert.

Loved it!
