# Ballpark Mysteries #7: The San Francisco Splash

## Synopsis

Time for a seventh-inning stretch! The San Francisco Splash is book #7 in our early chapter book mystery series, where each book is set in a different American ballpark! A Splash! A hit soars over the walls of the San Francisco ballpark on the bay and drops into the water. But then Mike and Kate hear another, much larger splash nearby . . . and this time it's not a baseball. It's a man overboard! And when he's pulled from the water, the old-time ballplayer discovers his World Series ring is gone! Is it at the bottom of the bay? Or was it somehow stolen by a long-ago rival? The San Francisco Splash includes several pages of "Dugout Notes," fun facts about San Francisco's recently built ballpark. Cross Ron Roy's A to Z Mystery series with Matt Christopher's sports books and you get the Ballpark Mysteries: fun, puzzling whodunits aimed at the younger brothers and sisters of John Feinstein's fans.

## Customer Reviews

DAVID A. KELLY has written for many newspapers and magazines, and Babe Ruth and the Baseball Curse, published in spring 2009, was his first book for children. He lives 15 minutes from Fenway Park in Newton, Massachusetts.

Kids enjoyed reading all of this series

SF Splash was a gift for my nephew. He, me and his parents all enjoyed the story. Since they live in SF and are Giants fans, it was a big hit. A nice way to introduce some baseball facts and history to Lucca (my nephew). I will buy more books for him in this series.

My seven year old grandson is a baseball fanatic. He plays Little League, travel ball, and is a San Francisco Giants FAN++++. He was thrilled to get three of the baseball park mysteries for Christmas. He "ordered" grandma to buy more for his birthday.

I found this series on for my grandson . He loved them and even used them for book reports at school. Now I order two or three for birthdays or when he came to visit last month. We will continue to order the series. He LOVES them.

Good story for young readers

This was purchased for a 9 year old who does not like to read. The story had a good pace with just enough intrigue to keep a 9 years old's attention. We've read all the other Ballpark Mysteries and would recommend those, as well.

My grandson just loves the entire series!

Great books for pre-teens
