We have just come back from our first trip to Euro Disney and found this absolutely invaluable. We packed our day from start to finish, avoiding the queues as much as possible, thanks to the tricks and tips in

this book. We felt quite smug as we chatted to various families during the course of our stay, who seemed to have been unable to get Fastpasses for Ratatouille (which is amazing by the way!) and Crush's Coaster (totally awesome dude!) etc. It gives you advice on where best to watch the Disney Magic show from, the price guides for the restaurants, up-to-date info on the current scheduled ride closures for maintenance. 100% worth the investment." - .co.uk Customer \* "A brilliant book. A must have if you are planning a trip to Disneyland Paris. It was our bible while we were there and we carried it with us everywhere." - Genvi \* "We went last year and we are going again this year. I wish I had read this before. Essential reading before your magical trip!" - Busymum

Great book for our trip.

Great guide, helped me decide how long our trip to Disneyland Paris should be and what things we have to do.

Expected more for the price, photos, colour maps, but it does provide a very good foundation for preparation before going

Good book. Very updated. I just missed some "hidden tips". But it is very recommended.

Very helpful! Great addition to your Disney library!

Has good information and suggestions from people that have been there. Plan to take it with us when we go.

Nice synopsis of need-to-know travel and park info.
