Customer Reviews

Larry Roberts is currently teaching parasitology and marine biology at the University of Miami. He received his Ph.D. in Parasitology from Johns Hopkins University and is a coauthor of Foundations of Parasitology, 5/e. Past teaching affiliations include University of Massachusetts, Texas Tech University, and Florida International University. Dr. Roberts has authored numerous research articles and a title of related interest: Underwater World of Sport Diving.

Great read, lots of information. I needed the 9th edition for a course but the 8th is still very relevant and follows closely to my course. Great buy and interested. Exactly what I wanted

Great book

Book arrived in excellent condition.

Thank you, great condition.

Came on time and was exactly what I needed.

book was in great conditions

This item arrived on time and it was just as described! Highly recommended and great to do business with! Thanks.

This is actually a required text for my parasitology class. I just wanna say that I like the arrangement of the book and the pics in the book really help for my lab work too!!!
