Customer Reviews

Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 250,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.

I absolutely love this wall calendar and would be thrilled to purchase it again in 2015. I look forward to turning over each new photo every month, and the quotes were surprisingly appropriate for what I was going through each month. (Granted, sometimes we apply cute little sayings in ways they were not intended or actively try to see how it might relate, but they made me smile or think about things and that was appreciated). The photos are very real/natural, and show horses in a variety of settings- although they are gorgeous photos, they don't look physically altered or Photoshopped (overly smooth coats lacking in hair texture for the shaggier breeds, etc.) in any way. That's a plus

for me. The squares are big enough for me to write the Big Things each day for easy reference, though I do keep a personal electronic planner to allow for more detail and scheduling of specific time slots. All major holidays are included, as well as the basic moon cycles (which was interesting if not exactly useful). Very happy with my purchase!

If you like horses you'll love this calendar. It's beautiful. The horses are really pretty and it has a nice message I recommend this counter

This series of images reflects the essence of the horse, offering some great pictures to go along with the monthly calendar. It's an ideal gift for the horse crowd.

These calendars are the perfect gift for anyone who loves horses. The lovely photo is paired with an inspirational quote dealing with horses.

You like horses this is your calendar

An elderly lady who was a horseman in her younger days always had a Horse calendar. This year no one gave one to her and she was unable to shop anymore. We got this calendar for her and she loved it.

My 6 yr. old grand daughter loves horses and she loves this calendar. She's discriminating when it comes to pictures of horses and this calendar passed the test!

a teen-age girl and beloved horses often answer each other's questions. advice so received isn't frowned upon as it might be from an adult
