Great book, latest version in a long line I have purchased over the years. Easy to read and find information quickly.

Perfect for easy in driving instructions, the coil binding it far better than staples

Good binder, this should last a long time. Large display is easy to read.

I have used this brand for many years. The large print is perfect.

Very handy when planning a trip and used it in the car for larger overview.

Perfect one stop shopping for getting around on US travels! I realy enjoy having this book along for my rides. It compliments my GPS perfectly.

It is a little larger than I expected but it is great for my eyes don't see like they used to. I like it a lot.

The large scale makes it so much easier to see.
