Seven Longings Of The Human Heart

Synopsis

God created every person with deep longings that only He can fill. We all long for beauty, for greatness, for fascination, for intimacy. We all long to be enjoyed, to be wholehearted, to make a lasting impact. When we realize that these longings are godly and that God wants to fulfill them, we begin to find new freedom and joy. To encounter God in these areas is to be fully alive. We are not to repent of these longings, but to repent of seeking to satisfy them outside of our relationship with Jesus.

I recommend this book for everyone. Everything in it rings so true. We have longings which we don't understand and when unfulfilled we feel they need to be suppressed. The truth is these longings are so deep that they can only be fulfilled by the God who created us.

This book helps us to understand how God "wired" us to have basic longings and needs that He

fully intends to satisfy when we seek Him with all our heart, soul, mind and strength, as He instructs and then rewards. It also helps us to understand what happens when we try to ignore those basic longings or try to fulfill them apart from God. Very helpful!

Excellent material - very inspirational!

I have not finished the book, but what I have read is inspiring and gives hope to the human heart. It reaffirms God's love for man; that he forgives and is always there for you.

Thanks Mike, good word.

Everybody in this house thinks this book adds an extra depth to our knowledge of God and people. You have to read it...

Read through twice. Bought so many as gifts, I quit counting. Highly recommend/could shift your thinking to how much we are loved and planned by the Magnificent One.

Thanks
