About the Author Victoria Pesce Elliott is a freelance journalist who contributes to many local and national newspapers and magazines, including The New York Times. A native of Miami, she returned there after nearly a decade in New York City, where she graduated from the Columbia University School of Journalism. She is a co-author of Frommer's Florida and Frommer's Florida on \$60 a Day.

This book is probable very good with it's coverage of Miami and South Florida, but coverage of the Keys is bare minimum (47 pages (1 chapter of 13) of over 300 pages in the book).
