Customer Reviews

I can't wait to try those recipes. They all sound really great. There's a lot of good recipes and they're definitely recommended. I really like how this book is organized and tons of amazing recipes and here. I would never knew when New England had such type of food. And I love Seafood!

Terrible, any book that has canned condensed soup and garlic powder for ingredients, is not a CookBook. My wife was insulted that I gave her this book.

Love the chowder! Hot and hearty recipe that will warm you up on cold winter days.
