Beauty And The Boss

Synopsis

Ellis Renois is at the top of the fashion world and has built the Renois Company into a success that dominates the runways of the world. Ellis loves creating clothes, and she loves the beautiful women who wear them. While Ellis deals with design, she leaves the business aspect to others.

It's a mistake that could cost her more than just her life's work. Charlotte Hamner has worked her way through school and is ready to make a better life for herself and her daughter Sawyer. She's far from the teenaged mother who worked a string of dead-end jobs to fulfill her dreams, so she's not about to fall victim to Ellis's easy charm. A summer job presents Charlotte with the chance to learn from Ellis, but it might also land her the position of head designer for Renois. But her promotion will come only through betrayal and perhaps at the cost of her heart.
