Customer Reviews

I love this book .. to you all get this book

I don't know if the information in this book is still apply today as it was written in 2015. I saw Brandon's video and thought " why not ". Will send out my first round of letters and see how it works out.

I found this book to be very helpful.

Recently purchased and sent letters to two agencies because the 3rd needed further verification. So far it is working and two things have been removed.

Awesome Info I will post another review once I move through the process so I can share whether it actually worked.Wish me luck!

Information looks clear and concise. I'm looking forwards to seeing how this goes and improving my score dramatically. This will be a great help!

Definitely had some good pointers. I did use the 1st round letter and was able to get items removed off my credit report.

Simple and easy to use.
