Customer Reviews

Great amount of practice questions. Would appreciate more thorough explanations to some questions but overall a good purchase.

Since the test changed format this year, the book can no longer help.

NICE BOOK AS DESCRIBED. THANKS

Great PSAT practice guide and review. Does not take the place of a review course but is a very

good supplement.

Great resource and study aid.

Bought this book for my 14 year old daughter. It helped her tremendously with her recent test!

fast delivery and product as expected.

good
