For our encouragement and joy, our Lord revealed the greater reality of His Holy Word and the beauty and marvelous Kingdom. It is a .message to Christian s to encourage us on our journey. It is a message of truth and an admonition to the unbeliever. Jesus is the. only way to our Creator God.

TRUE STORY OF AN OUTPOURING OF THE HOLY SPIRIT AMONG CHINESE ORPHANS IN A MISSIONARY HOME. I WAS CAPTIVATED BY THIS VERY AUTHENTIC DESCRIPTION OF A SPONTANEOUS VISITATION THAT CHANGED THOUSANDS OF LIVES IN SOUTHWESTERN CHINA. FOR ALL WHO EVER WONDER IF GOD IS FAIR TO THE "HEATHENS" IN FAR AWAY PLACES.

A truly amazing story! It doesn't take long to read, either. I appreciate that our book came quickly and in great condition.

As I was reading this book, I was like whoa, I want to be caught up in heaven too! I love how the children forsook everything to remain in the presence of God. It is exactly the same thing that we should be doing everyday. In one account, when the demon was driven out, I was almost scared as it went into a vulnerable soul. I was at ease at how they cast that demon all the way out and it went hiding behind a tree! If you could have seen me while I was reading this book, it was like jaw dropping. I really love the truth about what happens when people are about to die and the children seeing people at the crossroad of eternal damnation or eternal life. The book speaks for itself. It's a must read, forsake the movies and read this book!

Street children , recently brought in to an orphanage experience a powerful visitation by Holy Ghost. you are brought into their experience in such an intimate way that your hunger and thirst for God will explode.THIS BOOK IS IN THE PROCESS OF BECOMING A MOVIE.

This is a fabulous true story that made a real impression on me and I loved to read how very committed the Baker Family was to the young boys.A surprising revelation thru these new little children of God. Wonderful story.

This is a book I will read again many times! In my own life I have been given visions, not sure of the meaning of what I was seeming, but in this book the meanings were revealed by what the children were seeing!

The book shows a spiritual realm to which we are often oblivious. Visions of orphan boys in pre communist China are related that are honestly presented. Conversions and miraculous signs took place over several months. H.A. Baker and his wife Josephine first ministered in Tibet from 1911 until 1919. They returned to America because of Josephine's illness. Then they were challenged to go to southwest China where the amazing outpouring of God's Spirit took place. In 1949 when the Communists forced their removal from China they moved to Formosa where Mr. Baker ministered until he went on to be with the Lord in 1971. There needs to be a better editing job as there are a number of errors in the book, but the events will speak for themselves.
