a

Great map and very help on our road trip.

The map arrived just in time as we were planning to take a short two day trip over Thanksgiving. I used it constantly in the car while my husband drove and I navigated and it was easy to follow. As with all paper maps, the creases are already beginning to tear, but that is to be expected, and I will just tape them and move on.

as described

Not very detailed. Wanted map for travel around the Grand Canyon area. Very disappointed.

Lame map cuts off halfway through the state its very hard to flip over and back when you are lost. If you are traveling through Arizona I do recommend buying a map our GPS kept losing signal.
