# The Art Of Flora Forager

## Synopsis

Flower fans and nature enthusiasts will fall in love with this charming art book from Instagram sensation Flora Forager featuring the best of her unique floral compositions created with botanical materials. Flora Forager creates images out of flower petals, leaves, stones, twigs, and other natural materials that she finds in her garden and in urban wild areas in her neighborhood. This intimate, lovely book collects her best pieces, including new, exclusive art, along with a peek into her unique creative process. Featured pieces include scenes, mandalas, animals, birds, fish, insects, mythical creatures, iconic women, old masters, and more. Each artwork is accompanied by explanatory text on a facing page including piece name, materials used, and a short, evocative description of the artist's process and inspiration.

## Customer Reviews

"It's always a treat to see how her imagination and artist's eye will render bits of floral material that most of us wouldn't give a second glance into true works of art. •Flower Magazine •Collins book is open ended but decorated with whimsical images of flora and fauna. •Seattle's Child

Flora Forager is BRIDGET BETH COLLINS: nature lover, painter, writer, Instagrammer, and botanical artist. She forages the materials for her creations from foliage and flowers plucked from the sidewalks, meadows, and woods of her neighborhood.
