Customer Reviews

"Awesome book on slimming down your body AND getting amazingly fast results! Definitely check out this book if you want to lose weight! FAST." -- Johnny Risto
"A powerful, instructive and informative health manual by Linda. Look no further." -- Al-Khemet Book Club
"Plain and simple, yet profound and written well, and with this low price, it is worth every penny!" -- Adriana Sophie Bustami "Citadella"
"Frankly, the most awesome thing is that the book doesn't just stop at 17 days. Ms. Westwood suggests ways to maintain your newfound fitness, supplying a killer shopping list that will keep you on track and the weight off. Don't be fooled: This is one of the best fitness books you can buy." -- C. Shaw
"Best part, this book is realistic. If you want to lose weight in a short period of time and keep it off, give this book a try. I lost 6lbs. Need I say more? My favorite part was the recipes. After all, you are what you eat. Well worth it and exceeded my expectations." -- Jibran Qazi

Linda Westwood is a #1 Best Selling author of various books about weight loss, dieting, exercise programs, and everything nutrition. In her books, Linda provides daily action plans and fantastic advice on how to lose weight, burning fat in those hard to lose areas, better eating habits, morning rituals that lead to a healthy body, and so much more.

This book is like an exercise guide which helps your fat body transform into a slim body. I got this book in and I bought this book for my family. I read this book and I enjoyed this book also. This book has described how to diet your body with food instructions. I think it is a very helpful book for us. Thanks author for writing this book.

I am ready for this challenge to slim down my body specially my thighs and arms since a lot of it has extra fats including my belly fats. So having this book made me determined to take away that extra fat in me and make myself back in the game like I was 18. I have a very curvy slim body before but now I'm busy at work and it makes me feel depressed about my body. Thankful to have read this book.

I am so satisfied with all the valuable tips and secrets this book has included. I am comfortable to

say this is one of the complete dietary and work out books out here. I've read many books that targets on fitness/lose weight, but still I've learned a lot of tricks here. What surprise me the most is the free bonus, it also has plenty of great values! This book worths every penny!

This is a great weight loss book for busy people like me. This 17-day slim down technique is just right for me and for everyone else. Eat right, move around, and get rid of the fats. There are a lot of techniques inside this book that will surely help us achieve the body that we always dreamed of. I am very excited to start following this program. Great recipes, too! There needs some proof reading as there are some typo error (i.e. instead of "won't" you typed in "want"). I will surely recommend this book to everyone!

I'm always looking at different diets that would help me to lose weight and stay fit and healthy.to dispelling myths; to habits that hurt weight loss; breaking the sugar addiction; tips and tricks; to addressing various health and hollistic tidbits. I am 10 pounds away from a healthy BMI for the first time in years! YAY!

Really liked the nutrition part of this book, what and how to fuel yourself. Many of my friends have actually lost a lot of weight just by changing their eating habits and creating proped plans to follow everyday. This book has some great info if you aim to build you own diet plan.

This book is amazing! Already I have lost 5lbs and i am just 4 days into it!!! Follow this book and it works!!!! In days NOT WEEKS!! Yay! Highly recommend!

To quote the author "To get the most out of life, we need to be the healthiest beings we can possibly be." This diet book does exactly that. Remember before you start any diet or exerciser program check with your doctor.By following the steps that Linda Westwood suggests for 17 days you should surely have successive.
