Got this for 2nd grade Biography project. Read it before I gave to my daughter. Some extra stuff but interesting all the same. Should keep her interest. I may have to read along with her on some parts.

Excellent!!! Easy to read and a lot of facts in such a small book. My children love The "Who is" book collection.

simple for young readers

Very informative and good yet challenging read for my 2nd grader. I highly recommend this series of books
