APPEARING (Book 12)

I had these in cassette form, but they stopped sounding good as the years have gone by. Now I have them in CD form. I love them. I listen in the car all the time. I travel a lot and they keep me awake and alert. It's like listening to the old radio show of the past. You can really picture the action in your head. The after awhile, the characters seem so real, I have to remind myself it's only a story.

Excellent way to play out Revelation in a way that most people can understand it. Very well done good story line and lots of action to keep you interested.

Good CDs

These are advertised as new. That is simple ly put a lie. While ripping them onto iTunes, so far, through the first four books, (12 CD's) the title's on two of the CD's were from an audio book called "Past Crimes". Now, the audio was correct but clearly I had to change the title, author and tracks to make it work. These were obviously ripped onto a CD by someone and sold as new. Very much false advertisement. I wonder what the next 8 books will have in store? I feel like I have been taken to the cleaners.

Sometimes, just heading it read straight from the book is swsome
