Customer Reviews

Almost every male monologue is about girl issues. For a younger performer, 12-14, these are really not appropriate. The comedic ones are not terribly funny. Overall, we found one or two male monologues that would be useful for a 12-14 yr old performer. Older actors might find some of this collection more useful, but we didn't.

Great for drama class, however there are several monologues - maybe 30% of the book - that deal with very sensitive subjects, like addiction and abuse. I get that this is emotional material for acting, but I can't use that for middle school drama. The preview seemed more PG/PG-13 so I wasn't

expecting such mature content in the monologues.

I got The Ultimate Audition Book for Teens: 111 One-Minute Monologues (Young Actors Series) recently. I have only read this book and the 2nd version, and I loved this one! It had lots of variety and ranged from serious, comedic, ironic, and makes-you-think monologues. I have not found one right for my next upcoming audition, but this book is brimming with interesting and memorable monologues, so I'm sure I will! Highly recommended for probably 15-18 year olds, but there is something in this book for everyone.

not really very well written and you can find most information online.

I got this for an audition for an agency and I got in!!! The book provides so many useful monologues that are actually funny and real!

This book is useful in that it gives a lot of monologues. I found myself having a hard time choosing one. I'm currently a high school student and would recommend this for any teens.

Great for class! Thanks.

I purchased this book as a Christmas gift for my son and he is very pleased. I am happy with this purchase.
