Wheelie Board Books: Tractor

Synopsis

Look at all the amazing machines you'll find on a farm. Take a close look at a tractor and its various attachments and learn how a crop is planted and cared for. Looking at a variety of machines with a wide range of uses, the Machines at Work series explains how vehicles help people on farms, construction sites, and other busy places. Each of the books answers questions with bright, interesting photographs of machines in different situations to explain how they work and what they do. Complete with plenty of amazing facts on this popular subject, the Machines at Work series is sure to be a hit with young readers and machine enthusiasts. Vroom-vroom!

Customer Reviews

"This book will do well in the circulating collection." — Booklist

A cute book and I love way it can roll.

Such a cute book for our little 2 year old girl. Made very sturdy with a velcro strap that closes the book in the front.

Good book and arrived as described.

Great product

Unfortunately, the book arrived but it was so dirty and beat up that I put it in the trash where it belonged.

My 3 year old son loves his book. It was a great Christmas gift. It was smaller than expected but still nice.

This was a 2nd birthday gift, and my son really enjoys reading it -- he comes running and quiets right down anytime I ask him if he wants to read it. Good tractor pictures and some animal sounds -- a fun book.

This is a nice board book. Neat how you can feel different things like rough tires, smooth hoods, etc. I likeÃ That's Not My Tractor: Its Engine Is Too Bumpy (Usborne Touchy Feely)Ã andÃ My First Tractor Board Book (My 1st Board Books)Ã better. This book is kind of small and doesn't have a lot of pages. It's not the "go to" tractor book for my boys.
