A compact New Testament in the Good News Translation---a perfect gift for First Communion This compact size of the New Testament in the Good News Translation is available in two

The font size in this Bible is very, very small (perhaps 5 pt). Compared to the letters in a typical 3rd graders school text book, the letters are about 1/3 the size. Otherwise, the quality of cover is very good, the size of the book is good, the Good News Translation is good for middle school students and is a translation and not a simplified paraphrase. I would recommend this for older students,

such as high school or junior high school, who want a very compact and good looking, sturdy new testament. I would give this bible 5 stars for older students.
