Customer Reviews

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

I must admit that I was expecting this to be an A4 type book - maybe calling it a "Wallpaper" guide made it sound bigger than it was. So I was really disappointed when it arrived and it was a pocket sized book. The photographs in it are pretty good (although there seem to be a lot of indoors photos) - but they dominate the book. I was looking for actual information - and what there was was not that easy to read. Blame it my aging eyes but I don't usually have that much of a challenge! So, overall, not what I was expecting - and it really didn't provide me with the wealth of information I was hoping for. Maybe my fault because, like I said, I thought it was going to be a much larger book!
