One-Minute Devotions For Girls

Synopsis

One-Minute Devotions for Girls is authored by a renown writer of Christian books for youth. For every day of the year, Scripture verse is combined with a child-oriented, real life situational explanation and a simple prayer. Your favorite girls will be enchanted with this "girly" volume - all pink & pastel with glittery, silver gilt-edged pages. 4.25 x 5.5 Inch - 400 Glittery Silver Gilt-Edged Pages Suitable for "tween" girls and older - this book offers tools kids need to deal with difficult circumstances and choices, including some of an adult nature. Carolyn Larsen has written more than 40 books for children and adults. She is best known as the author of the Little Girls & Boys Bible Storybook line of products, which have collectively sold more than one million units.

I bought this book to have an easy devotional with my "tween" girls. I admit there are a few topics that made me question if I should have purchased it; however, it was definitely a topic that needed

to be discussed. In this era, when children have the world available right at their hands, it just makes sense to talk about these uncomfortable topics (like sexual activity). In reality, children are exposed to a lot of topics that would make a parent cringe. But this book worked well for that situation. Admittedly my daughters felt a little uncomfortable talking about these things at first. But it has helped to open up our conversation for the future; for that, I am grateful. The topics seem to go with issues they experience in school and we would easily have longer discussions about the topic. In closing, I have truly enjoyed this book. It has served its purpose for me.

The opening devotion talked about a dad drinking too much and is a total downer!

A wonderful book for girls to read of all ages. It really helps bring them closer to God. thank you lots

This one's hard to give away because it's good for all of us! Great little devotional. Saving for later gifting.

This is a cute book. It's a little small book which can make it get lost - but the idea it for her to have it by her bed to read daily. Her favorite part is that it has a bookmark built in. I'm glad it's hard back instead of paperback because I can see it lasting longer that way. I have not read through all the devotions - but the ones I read at least I can see a 10 year old enjoying and getting HER to think. She's happy with the color and that it is specifically for her - making it a good gift (hers was a stocking stuffer)

Almost new. Very little writing inside that I can cover with peel and place label!

Have it

perfect for my niece
