Customer Reviews

I have watched this lady cook for a crowd of people...She knows what's going to light your fire. There's some really great recipes that are easy and quick in this book.

Great purchase

This is Tex-Mex cooking from one of San Antonio's iconic restaurants. Most recipes are very simple, with common pantry ingredients. If you like Tex-Mex, odds are your favorite recipe is here.

Authentic recipes are almost as good as my mother made.

This book rocks!!! I started put slips of paper in each page I wanted to use.....but had to limit to a few at a time because I was starting to mark every page! This cookbook is most definitely my new favorite!
