Wisdom Of The Hidden Realms Oracle Cards: A 44-Card Deck And Guidebook

Synopsis

Mystics have passed down stories of magical realms hidden from mortal sight, bridging the world of Nature and Spirit. Even before the written word, the ancients established a Divine partnership between humans and these Hidden Realms. Both agreed to form an eternal Sacred Alliance to establish harmony and balance between the material and the spiritual. The Alliance ensured that when we asked for guidance in manifesting our reality, they would help us find our way to the highest good for all. But in time, humanity turned itself away from the natural world as a source for the Divine and forgot about the realms in the Unseen realities. Religious superstition, dominance, and the power of intellect, reason, and technology became our focus; and our partnership was forgotten, so the realms faded away. As our global concerns have increasingly been more plaintive, they have returned to help us find our way home to our true purpose, prosperity, hope, and happiness. These cards represent some of those realms and their Queens and Kings, Princes, and other magical helpers. Let the Swan Queen point the way to transformation, the Arrow Master help you reach your goals, the Sun Dancers herald your victories, and the Sacred Union speak to the depth of your longing for love. Ask and ye shall receive, for the Highest Good is their motto. If you call upon them, they will answer

I've followed Colette for awhile and love her energy and now I'm in love with her cards. These are beautifully illustrated and the cards of great quality. Definitely a nice add to any collection.

The cards are absolutely beautiful and I love their messages. The readings are very enlightening and easy to understand. So thank you for that! A wonderful way recalibrate your spirit and bring you positive energy.

I love my new cards! The pictures are beautiful, with beautiful messages. The cards are printed on sturdy card stock, so they are sure to last me for a long time. I did read other reviews concerning the gold foil on the sides sticking and was a bit worried I would experience the same thing... I did receive cards that did indeed stick, however, all that is required is just a gentle bending of the cards in all directions, (top to bottom, side to side) and they come apart effortlessly! I'm looking forward to sharing readings with family, friends, and clients!
